

Fall 2022

Fall officially arrives on September 22nd! As we begin the last few months of 2022, we are reminded of how far we have come since this time in 2021.

Just a few announcements before we begin the busy holiday months...

2022 INSURANCE BENEFITS - If you have remaining insurance benefits for 2022, please call to discuss any dental care that may be due. And, please schedule year-end care early. Our schedule fills quickly during the 4th quarter. Early scheduling helps you book the day and time that work best for you.

HAPPY RETIREMENT! After 24 years of serving patients as Financial Coordinator, Deb Ramsey has begun retirement. We wish her many days of "catching up" on all the things that make her smile!

WELCOME TO OUR NEW FINANCIAL COORDINATOR - Taking the helm of financial coordinating, Venus brings over 28 years in dental administration. Venus spent 12 weeks in training with Deb and has adopted the closeness with patients combined with the skilled assistance our patients have come to know. We feel fortunate to have found a replacement who brings the same commitment and warmth as Deb.

FINANCIAL OPTIONS - Through easy payment options, achieve your smile goals while making affordable monthly payments. In addition to accepting all major credit cards, flexible payment options are available with most requiring no down payment and are interest-free. Venus will gladly discuss these in more detail or provide an application. These can also be applied for online.

◆ **CareCredit®** is exclusively for healthcare services. You'll get low monthly payments for healthcare procedures not commonly covered by insurance, including dental procedures. Plus, you

can use your card over and over for follow-up appointments. Learn more by visiting CareCredit.com or contacting our office.

◆ **Lending Club Patient Solutions** offers low fixed rates, low monthly payments that never change over the life of the loan, interest-free plans with no retroactive interest, no upfront payments and no prepayment penalty. You can pre-calculate your potential monthly payment online without affecting your credit score.

◆ **Alphaeon Credit**, our newest option, provides easy payment plans for patients in manageable, monthly amounts.

Dentistry is an excellent investment for smiling confidence as well as your overall health and well-being. We believe that financial considerations should not be an obstacle to obtaining treatment. Please reach out to Venus for assistance so your smile goals can be achieved in a budget-friendly way.

WEBSITE UPDATE - Check out our updated website's Home page. I narrate brief videos to guide site visitors through various options and treatments. Some of our video selections include:

Introduction by Dr. Barbat

Dr. Barbat's Passion for Care Statement

Dr. Salim's Passion for Care Statement

Dental Implants

TMJ Diagnosis & Treatment

Advanced Technology

Oral & IV Sedation

Enjoy these helpful videos at: WhereLastingSmilesBegin.com

As always, we appreciate your recommendations to others and value your reviews; we're very proud of our ratings by over 350 patients!

Have a beautiful Fall!
